Review: Some students wish their teacher would just walk out... but, really, what would they do? Class Dismissed offers a hilarious take on the adventures of students when their teacher gives up her job and simply walks out. While I don't condone their actions, at first, it is amusing to watch them (read about them) as they try to pick up the pieces when...

Description: Class 507 is the worst class Ms. Bryce has ever taught. And she would know -- she's been teaching forever. They are so terrible that when a science experiment goes disastrously wrong (again), Ms. Bryce has had it and quits in the middle of the lesson. But through a mix-up, the school office never finds out. Which means... Class 507 is teacher-free! The...
